

Dear Traveler:

Odysseys Unlimited remains committed to safely operating upcoming tours based on guidance from the CDC, local governments, and guest feedback from recently operated tours. To that end, we would like to provide an update to our policy regarding COVID-19 vaccination requirements and masking guidelines.

Vaccination Requirements

Effective August 1, 2021, all Odysseys Unlimited guests must be fully vaccinated against COVID-19 at least 14 days prior to departure. Tour directors and long-distance coach drivers will also be required to be vaccinated. You will need to confirm your vaccination status in the [My Odyssey](#) guest portal before departure and bring your vaccination card on tour with you; we also recommend making a photocopy or taking a photo of your card as backup.

Face Mask Guidelines

Domestic Tours: In accordance with the latest guidance from the CDC, vaccinated guests will no longer be required to wear a mask while on tour, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business requirements, or at the discretion of your Odysseys Unlimited Tour Director on site (based on local conditions). While you will still be required to wear a mask on all flights and on other forms of public transportation, and in U.S. transportation hubs such as airports, vaccinated guests may not be required to wear a mask on the motorcoach as it is a private mode of transport. Policies and protocols for coaches and local establishments will be at their discretion at the time of travel.

International Tours: Odysseys Unlimited guests will be required to abide by masking guidelines and other COVID-19 precautionary measures as dictated by the destination country's government, local, tribal or territorial laws, rules and regulations, including local business requirements, or at the discretion of your Odysseys Unlimited Tour Director on site (based on local conditions). In the absence of more stringent local regulations related to health and safety, Odysseys Unlimited will follow [CDC guidance](#) on all tours, regardless of destination.

COVID-19 Health and Safety Documents

All guests are required to review and acknowledge a series of documents pertaining to health and safety protocols, travel protection, and release of liability. These documents will be available in the [My Odyssey](#) guest portal approximately 115 days prior to departure, at which time you will receive an email advising that they are ready for your review.

Questions

We understand that you may have questions leading up to your trip, or that you may wish to postpone your tour based on the new vaccination requirement. If so, please don't hesitate to contact us by email or by calling our Customer Service department, toll-free at (888) 370-6765, Monday through Friday from 9:00 a.m. to 7:00 p.m. ET. If calling from outside the United States, please dial +1 (617) 454-9100.

We look forward to having you join us on tour!

Sincerely,
